

EINAT & HAKIM - PRESS EXTRACTS – Album release:

"Delightful groove that will not leave you indifferent during the journey"

A. Matia, "Globes" – Israel's Business Arena magazine, 8/4/2011

"Einat & Hakim produced an unlikely album pervaded by an infectious sugary groove and tinted with optimism and spirituality"

Y. Benhamou, the prestigious "Jerusalem Post", 16/3/2010

"Einat & Hakim met in Switzerland and wrote the album's songs together and record it within a month. Both felt surrounded by the grace of creation, and almost did not have to talk about music, just walked in the forests of Switzerland and philosophizing about life"

E. Meidan, Radio Essence of Life, Israel, 17/3/2010

"Einat & Hakim intended to bring message of love that crosses borders and cultures"

M. N. Smoler, "Hadaf Hayarok", The Kibbutz news paper, 1/1/2009

"I'm grateful for your touching performance at the "Volunteers Awards ceremony" 2010"

A letter from the Israeli president Shimon Peres, 9/8/2010

"La voix et les paroles fusionnent merveilleusement avec la musique aux couleurs world soul...un petit chef-d'oeuvre"

C. Guhl, "Vevey Hebdo", Switzerland, 12/6/2009

"« Einat & Hakim » est, à n'en pas douter, un album important et ce à plusieurs niveaux. Des textes intelligents, engagés et qui parlent à nos coeurs. Et bien sûr cette capacité de réunir deux communautés qu'aujourd'hui tout oppose"

T. Savary, Radio FR, Switzerland, 1/12/2010

"I don't have enough superlatives to describe what the rest of the audience and I felt yesterday at Einat's show."

S. Tochner, Music Critic, Ynet News, 11/11/2010
